

### Love Gifts World Service Conference, 2019

It has been the tradition in Wyoming to send “love gifts” and cards to our delegate to share/enjoy while attending World Service Conference! Above are some of the gifts from 2018—a group or district love gift party might be fun during our dreary weather. The favorite “love gifts” are chocolate, candy, and state pins! Below is the information for sending correspondence or “love gifts” packages this year. As always these gifts are greatly appreciated! Include your return address in the event that mail is somehow delayed. Please plan to have mail arrive after April 10<sup>th</sup>. Here is the address:
